The Lufthansa City Center network

Local Expertise - global presence

Lufthansa City Center International is the largest worldwide travel agency organization of its kind: As a global franchise company, Lufthansa City Center combines flexibility and competence with economically independent entrepreneurs under the umbrella of Lufthansa, Headquartered in Frankfurt/Main in Germany, the worldwide Lufthansa City Center offices are to date represented with more than 520 offices in 56 countries.

Since the introduction into the market in the year 1991, Lufthansa City Center has become one of the fastest growing travel agency chains in the world. The key success factor of today's significant Lufthansa City Center network is the strong franchise concept, which answers to the challenges in an ever changing environment with continuous globalisation and market concentration.

Globally, the City Center Network combines a total turnover of more than EUR 3.5 billion, generated in more than 520 offices in 56 countries worldwide. A consistent service offer to both individual and business traveller is offered in all our international locations, reflecting the commitment to quality and high level service of our brand. It is the local strength and expertise of each of our worldwide Lufthansa City Center offices, which make us a different partner on your side: We are proud to understand more than just the language of our clients as we also appreciate culture, habits, regional and national economic variances and the true needs of our clientele. Our true comprehension together with the personal service dedication of our worldwide offices make us stand apart in our individual service offer to our clients.
