SOUTHERN DISTRICT OF FLORIDA
MIAMI DIVISION

CASE NO.

09 - 80343

MICROSOFT CORPORATION, a
Washington Corporation,

Plaintiff,

v.

INSTACLICK, INC., a Florida Corporation;
and DAN TRAINA, individually,

Defendants.

CIV - DIMITROULEAS

ROSENBAUM

FILED by 103 D.C.

FEB 27 2009

STEVEN M. LARIMORE
CLERK U. S. DIST CT
S. D. of FLA. - MIAMI

COMPLAINT FOR DAMAGES AND EQUITABLE RELIEF

Plaintiff Microsoft Corporation ("Microsoft") brings this action against Defendants INSTACLICK, INC., and DAN TRAINA (collectively "Defendants"), and alleges as follows:

I. JURISDICTION AND VENUE

1. This is a complaint for an injunction, damages and other appropriate relief to stop Defendants from infringing Microsoft's trade and service marks by registering Internet domain names that are identical or confusingly similar to Microsoft's trademarks and service marks, and by using those domain names in bad faith to profit from Microsoft's marks.

2. In this action, Microsoft asserts violations of the Anticybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d); of sections 32 and 43 of the Lanham Act, 15 U.S.C. § 1114 (Trademark Infringement) and 1125(a) (False Designation of Origin, Unfair Competition/False Advertising).

3. This Court has subject matter jurisdiction over Microsoft's claims pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331 and 1338.

4. This court has personal jurisdiction over Defendants who have: (a) committed intentional and tortious acts within the state; (b) conducted substantial business within this state related to the unlawful activity at issue in this Complaint; and (c) reside within the state.

5. Venue is proper in this court pursuant to 28 U.S.C. § 1391 because Defendants reside within this judicial district, conduct substantial business within this judicial district related to the unlawful activity at issue in this Complaint and because a substantial part of the events or omissions giving rise to the claim occurred in this judicial district.

II. THE PARTIES

6. Plaintiff Microsoft is a Washington corporation with its principal place of business in Redmond, Washington.

7. Defendant INSTACLICK, INC. is a Florida corporation and resides in Palm Beach County, Florida.

8. Upon information and belief, Defendant DAN TRAINA is a Florida resident and resides in Palm Beach County, Florida.

III. MICROSOFT'S BUSINESS AND TRADEMARKS

9. Microsoft is a world leader in the market for software and related products. Microsoft offers a wide range of products and services, including but not limited to computer software such as the Microsoft Windows operating system and Microsoft Office; computer hardware and accessories including keyboards and mice; gaming systems such as the Microsoft

XBOX and Microsoft XBOX 360; and Internet service and electronic mail services such as the MSN and Windows Live Hotmail services, to name a few.

10. Microsoft owns registrations for a number of trademarks and service marks that it uses to identify its products and services in the marketplace. Among the marks owned by Microsoft are the following registered marks (collectively the "Microsoft Marks"): ENCARTA; HOTMAIL; WINDOWS; XBOX; XBOX360; and XBOX LIVE.

11. Since at least March 1993, Microsoft has used in commerce the trademark / service mark "ENCARTA" to promote multimedia encyclopedias, online information services and other related products.

12. On December 9, 1992, Microsoft filed an "intent to use" application to register the ENCARTA mark. Based upon actual use beginning in March 1993, the United States Patent and Trademark Office issued Registration No. 1,864,262 to Microsoft on November 22, 1994 for the ENCARTA mark. The ENCARTA mark is also the subject of United States Trademark Registration Nos. 1,874,547, 1,995,180, and 2,304,532. *See* Exhibit A. The ENCARTA mark is broadly recognized as a brand identifier for Microsoft's reference guides, encyclopedias, online information services and other related products.

13. Since at least July 4, 1996, Microsoft's predecessor has used in commerce the service mark "HOTMAIL" to promote electronic mail services as well as promoting the goods and services of others by placing advertisements and promotional displays in an electronic site accessed through computer networks and by delivering advertisements and promotional materials to others via electronic mail.

14. On April 10, 1997, Microsoft's predecessor applied to register the HOTMAIL mark, and on June 16, 1998, the United States Patent and Trademark Office issued Registration

No. 2,165,601 to Microsoft's predecessor for the HOTMAIL mark. *See* Exhibit B. The HOTMAIL mark is broadly recognized as a brand identifier for Microsoft's electronic mail services as well as promoting the goods and services of others by placing advertisements and promotional displays in an electronic site accessed through computer networks and by delivering advertisements and promotional materials to others via electronic mail.

15. Since at least October 18, 1983, Microsoft has used in commerce the trademark / service mark "WINDOWS" to promote computer hardware and software products, and other electronic services.

16. On August 20, 1990, Microsoft applied to register the WINDOWS mark, and on January 10, 1995 the United States Patent and Trademark office issued Registration No. 1,872,264 to Microsoft for the WINDOWS mark. The WINDOWS mark is also the subject of United States Trademark Registration Nos. 1,989,386, 2,005,901, 2,463,509, 2,463,510, 2,463,526 and others. *See* Exhibit C. The WINDOWS mark is broadly recognized as a brand identifier for Microsoft's software and hardware products and for other electronic services.

17. Since at least December 1998, Microsoft has used in commerce the trademark / service mark "XBOX" to promote video game software and hardware and related products, including the Xbox home entertainment system.

18. On October 18, 1999, Microsoft applied to register the XBOX mark, and on November 5, 2002, the United States Patent and Trademark Office issued Registration No. 2,646,465 to Microsoft for the XBOX mark. The XBOX mark is also the subject of United States Trademark Registration Nos. 2,663,880, 2,730,847, 2,775,859, 2,786,794, 2,792,744 and others. *See* Exhibit D. The XBOX mark is broadly recognized as a brand identifier for Microsoft's entertainment products.

19. Since at least November 22, 2005, Microsoft has used in commerce the trademark “XBOX 360” to promote interactive game devices.

20. On May 12, 2005, Microsoft applied to register the XBOX 360 mark, and on June 12, 2007, the United States Patent and Trademark Office issued Registration No. 3,252,556 to Microsoft for the XBOX 360 mark. The XBOX 360 mark is also the subject of United States Trademark Registration No. 3,300,210. *See* Exhibit E. The XBOX 360 mark is broadly recognized as a brand identifier for Microsoft’s interactive game devices.

21. Since at least November 15, 2002, Microsoft has used in commerce the trademark / service mark “XBOX LIVE” to promote downloadable computer programs and entertainment services over networks.

22. On September 27, 2002, Microsoft filed an “intent to use” application to register the XBOX LIVE mark. Based upon actual use beginning in November 2002, the United States Patent and Trademark Office issued Registration No. 2,902,268 to Microsoft on November 9, 2004 for the XBOX LIVE mark. The XBOX LIVE mark is also the subject of United States Trademark Registration Nos. 2,940,679 and 2,940,682. *See* Exhibit F. The XBOX LIVE mark is broadly recognized as a brand identifier for Microsoft’s downloadable computer programs and entertainment services over networks.

23. The Microsoft Marks, as well as others owned by Microsoft, are used in interstate commerce in connection with the sale, offering for sale, distribution, and advertising of Microsoft’s products and services. The Microsoft Marks are distinctive and were distinctive at the time of all acts alleged herein. As a result of Microsoft’s substantial investment, the Microsoft Marks have developed extensive goodwill in the market. Accordingly, the Microsoft Marks are extremely valuable to Microsoft.

IV. MICROSOFT'S INTERNET PRESENCE

24. Microsoft also maintains a substantial presence on the Internet. Via the Internet, Microsoft advertises its products and services, transacts business with its customers, offers its customers access to many of its services, and provides product support, among other things.

25. In order to provide its customers with easy access to its online products and services, Microsoft has registered a number of Internet domain names. Many of these domain names correspond to Microsoft's trademarks and service marks. Examples of such domain names are <microsoft.com>; <microsoftwindows.com>; <xbox.com>; <msn.com>.

26. Each of these domain names, as well as others registered to Microsoft, resolves to a Microsoft-created website that provides Microsoft's customers with information related to Microsoft's products and services. These websites generate business for Microsoft and allow Microsoft to maintain relationships with its customers.

V. DEFENDANTS' UNLAWFUL ACTIONS

27. Defendants are the registrants and users of numerous Internet domain names that contain or consist of Microsoft's marks and/or intentional misspellings of Microsoft's marks. These domain names are hereinafter referred to as the "Infringing Domain Names." A representative, though not necessarily exhaustive, list of defendants' 9 Infringing Domain Names is attached hereto as **Appendix A**.

28. The Infringing Domain Names are identical or confusingly similar to Microsoft's marks. The Infringing Domain Names do not resolve to websites owned or endorsed by Microsoft.

29. Many of the Infringing Domain Names resolve to websites that are controlled by Defendants (collectively referred to as “Defendants’ websites”). Defendants’ websites contain numerous advertisements for and/or hyperlinks to a variety of products and services.

30. When a person looking for a Microsoft website lands on one of Defendants’ websites, that person may click on one of the advertisements or hyperlinks on the site either because the person finds it easier to click on the advertisement or hyperlink than to continue searching for the Microsoft site, or because the person mistakenly believes Microsoft has authorized or endorsed the advertisements or hyperlinks. In either case, the person has been diverted from the Microsoft website he or she was seeking to visit, and Microsoft has lost the opportunity to interact with that person.

31. Defendants use the Infringing Domain Names to profit from the Microsoft Marks. Defendants receive a payment when Internet users click on one or more links or advertisements on the websites of the Infringing Domain Names. Defendant receives these payments from one or more advertisers, affiliate programs, or search engines.

32. Defendants are not affiliated with, or sponsored by, Microsoft and have not been authorized by Plaintiff to use the Microsoft Marks. Defendants have not now or ever been authorized by Plaintiff to use or register any name or mark that includes the Microsoft Marks.

33. Upon information and belief, Defendants’ registration and use of the Infringing Domain Names is to primarily capitalize on the goodwill associated with the Microsoft Marks.

34. Defendants registered and used the Infringing Domain Names willfully and with bad faith intent to profit from the Microsoft Marks.

35. The actions alleged herein to have been undertaken by the Defendants were undertaken by each Defendant individually, were actions that each Defendant caused to occur,

were actions that each Defendant authorized, controlled, directed, or had the ability to authorize, control or direct, and/or were actions in which each Defendant assisted, participated, aided and abetted or otherwise encouraged, and are actions for which each Defendant is liable.

COUNT I
**(Cybersquatting under the Anti-Cybersquatting
Consumer Protection Act – 15 U.S.C. § 1125(d))**

36. Microsoft realleges and incorporates by this reference each and every allegation set forth in paragraphs 1 through 35 above.

37. The Microsoft Marks were distinctive at the time Defendants registered the Infringing Domain Names and remain distinctive today.

38. The Infringing Domain Names were identical or confusingly similar to the Microsoft Marks at the time Defendants registered the Infringing Domain Names, and remain so today.

39. Defendants have registered and used the Infringing Domain Names with bad faith intent to profit from the goodwill established by Microsoft in the Microsoft Marks.

40. As a result of their wrongful conduct, Defendants are liable to Microsoft for violation of the Anticybersquatting Consumer Protection Act.

41. Each defendant also has contributory and vicarious liability for these acts. With knowledge of the illegal activity, each defendant intentionally induced the conduct described above and continued to undertake these acts. Similarly, each defendant had the right and ability to control the illegal activity and received a direct financial benefit from the activity.

42. Defendants' registration and use of the Infringing Domain Names has caused and will continue to cause damage to Microsoft, in an amount to be proved at trial, and is causing

irreparable harm to Microsoft, for which there is no adequate remedy at law. Therefore, Plaintiff is entitled to injunctive relief.

43. Microsoft is entitled to recover Defendants' profits, actual damages and costs in an amount to be proven at trial or statutory damages of up to \$100,000 per domain name, treble damages, attorneys' fees and transfer of the Infringing Domain Names to Microsoft.

COUNT II

(Trademark Infringement Under the Lanham Act - 15 U.S.C. § 1114)

44. Microsoft realleges and incorporates by this reference each and every allegation set forth in paragraphs 1 through 43 above.

45. Defendants' wrongful and unauthorized use of the Microsoft Marks and counterfeits of the Microsoft Marks to promote, market, or sell products and services constitutes trademark infringement pursuant to 15 U.S.C. § 1114.

46. Each defendant also has contributory and vicarious liability for these acts of trademark infringement. With knowledge of the infringing activity, each defendant intentionally induced the infringing conduct described above and continued to distribute the infringing material. Similarly, each defendant had the right and ability to control the infringing activity and received a direct financial benefit from the infringement.

47. Defendants' intentional and willful infringement of the Microsoft Marks has caused and will continue to cause damage to Microsoft, in an amount to be proved at trial, and is causing irreparable harm to Microsoft for which there is no adequate remedy at law.

48. Microsoft is entitled to recover damages and to recover its costs herein in an amount to be proven at trial. Microsoft is also entitled to injunctive relief against Defendants.

49. Microsoft is further entitled to recovery of statutory damages, treble damages and attorneys' fees.

COUNT III

(False Designation of Origin Under the Lanham Act - 15 U.S.C. § 1125(a))

50. Microsoft realleges and incorporates by this reference each and every allegation set forth in paragraphs 1 through 49 above.

51. The Microsoft Marks are distinctive marks that are associated with Microsoft and exclusively identify Microsoft's business, products, and services.

52. Defendants have used and continue to use the Microsoft Marks in connection with goods or services, in commerce, in a manner that is likely to cause confusion, mistake, or deception as to the origin, sponsorship, or approval of such goods or services.

53. As a result of their wrongful conduct, Defendants are liable to Microsoft for violation of this provision of the Lanham Act.

54. Each defendant also has contributory and vicarious liability for these acts. With knowledge of the illegal activity, each defendant intentionally induced the conduct described above and continued to undertake these acts. Similarly, each defendant had the right and ability to control the illegal activity and received a direct financial benefit from the activity.

55. Microsoft has been damaged by these acts in an amount to be proved at trial. Microsoft is also entitled to injunctive and other equitable relief against Defendants.

COUNT IV

(Unfair Competition/False Advertising Under the Lanham Act - 15 U.S.C. § 1125(a))

56. Microsoft realleges and incorporates by this reference each and every allegation set forth in paragraphs 1 through 55 above.

57. Defendants have used and continue to use the Microsoft Marks in connection with goods or services with false and misleading descriptions or representations of fact in commercial advertising or promotion, thereby misrepresenting the nature, characteristics, and qualities of their or another person's goods, services, or commercial activities.

58. As a result of their wrongful conduct, Defendants are liable to Microsoft for violation of this provision of the Lanham Act.

59. Each defendant also has contributory and vicarious liability for these acts. With knowledge of the illegal activity, each defendant intentionally induced the conduct described above and continued to undertake these acts. Similarly, each defendant had the right and ability to control the illegal activity and received a direct financial benefit from the activity.

60. Microsoft is entitled to damages in an amount to be proved at trial and attorneys' fees. Microsoft is also entitled to injunctive relief and other equitable relief against Defendants.

PRAYER FOR RELIEF

WHEREFORE, Microsoft respectfully requests that the Court enter judgment against Defendants as follows:

1. That the Court issue temporary and permanent injunctive relief against Defendants and that Defendants, their officers, agents, representatives, servants, employees, attorneys, successors and assignees, and all others in active concert or participation with Defendants, be enjoined and restrained from:

- a) infringing Microsoft's trademarks and service marks;
- b) registering, using or trafficking any domain names that are identical or confusingly similar to the Microsoft Marks, including but not limited to domain names

containing the Microsoft Marks and domain names containing misspellings of the Microsoft Marks; and

c) assisting, aiding, or abetting any other person or business entity in engaging in or performing any of the activities referred to in subparagraphs a) through b) above.

2. That the Court orders the forfeiture or cancellation of the Infringing Domain Names and the transfer of the Infringing Domain Names to Microsoft;

3. That the Court award Microsoft actual damages, liquidated damages and statutory damages, in amount to be proven at trial;

4. That the Court award Microsoft treble damages in an amount to be proven at trial;

5. That the Court award Microsoft its attorneys' fees and costs incurred herein, including prejudgment and post-judgment interest; and

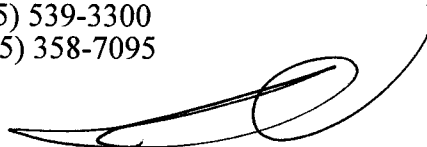

6. That the Court grants Microsoft all other relief to which it is entitled and such other or additional relief as is just and proper under these circumstances.

DATED this 27th day of February, 2009.
