Done Internet

The screenshot shows the Verizon broadband website as viewed in Microsoft Internet Explorer. The browser's address bar displays 'http://www.verizon.net/'. The website's header features the Verizon logo, a 'Sign In Now | Thu, Mar 15' notification, and a search bar with the placeholder text 'What are you looking for?'. Below the header, the main content is divided into several sections:

- Sign up for Broadband Today!**: Promotes Verizon High Speed Internet at \$9.99/mo. for the first 3 months (up to 768 Kbps) and Verizon FiOS fiber-optic internet at \$9.99/mo. Includes a 'Check availability for your home' form with a 'Submit' button and a 'More Info' link.
- Already a Broadband Customer?**: Offers a 'Sign In' button and links to 'Verizon Help & Support', including DSL, Verizon Wireless, and FiOS support.
- Featured Products**: A grid of four products: 'Internet Security Suite' (STOP SPYWARE), 'Online Backup & Sharing', 'GoToMyPC', and 'Home Networking'.
- More from verizon surround**: A vertical sidebar with links to 'Special Access for Verizon Broadband Customers', 'ESPN360' (featuring Jim Brown), 'MoviesMax' (featuring 'Zodiac'), 'ABC News' (featuring 'My Fairly Unknown Lady'), and 'Stranger than Fiction'.

A large banner at the bottom of the main content area reads 'YOU CAN ALMOST TASTE THE ASTROTURT' with the ESPN 360 logo and an image of a football player in a red helmet.
